

ArChine Refritech TPE 220

New polyol ester, environmentally friendly synthetic refrigeration oil

ArChine Refritech TPE 220 Product introduction :

ArChine Refritech TPE 220 is a high quality synthetic ester (POE) - based synthetic refrigeration oil .It has been approved for the screw compressor with R-22 refrigerant.

ArChine Refritech TPE 220 is a kind of refrigeration compressor oil which uses new technology.

This proprietary technology provides a high degree of stability with CFC refrigerant.

The freezing oil ArChine Refritech TPE 220 has a good solubility in R22 at very low temperature,

and a wide range of viscosity. The higher working viscosity of the refrigeration oil ArChine

Refritech TPE 220 can produce good sealing performance between the rotors, and can provide

good lubrication in the bearing and the sealing parts. Under the condition of low temperature,

freezing oil ArChine Refritech TPE 220 can provide a good solubility and to ensure oil return and

better heat exchange efficiency of the oil bath type evaporator good.ArChine Refritech TPE 220

freezing oil has low volatility which can provide good oil and gas separation.

Typical characteristics *

Appearance	Light yellow transparent liquid
Density, 20°C, g/cm ³	0.988
Viscosity @40°C, mm ² /s	228.79
Viscosity @220°C, mm ² /s	23.54
Viscosity index	128
Flash point, open, °C	270
Fire point, °C	292
Pour point, °C	-36
Copper corrosion 220°C, 3h	1

Distributor Wanted

Shanghai PingYiao Trading CO., Ltd.

Adress: A1207, Yin Hai Building, No.250, Caoxi Road,Xuhui District , Shanghai
